

NPSA NEWS

Challenge 21

The start of 2021 has proved far more of a challenge than originally anticipated, so we would like to say an enormous thank you to everyone who has - despite everything - taken part in Challenge 21! It has been brilliant to hear about so much running, cycling, skipping, baking, drawing, joke-telling & letter-writing - your children have been fabulous.

The NPSA bank details, for the transfer of sponsorship money, can be found on the NPSA web pages, [here](#). You will also find a downloadable Challenge 21 certificate, which you can print and complete for your child, to help celebrate their achievement.

The NPSA 100 Club

This month's 100 Club draw took place on Wednesday 3rd February. The winning numbers were: 5, 67, 69. Congratulations to our winners!

If you would like to join The 100 Club, it costs **just £2 per number per month** and there are still numbers available.

Joining is simple:

1. Complete the application form [here](#). NB: you will need to provide your bank details so that any winnings can be transferred via BACS.
2. Keep an eye out for an email (check your spam if you don't see it in your inbox) from The 100 Club team confirming your allocated number(s).
3. Set up your monthly standing order to pay for your number(s).

The 100 Club represents a guaranteed income for the NPSA at a time when our usual fundraising activities have been severely curtailed, so if you are able to take part that would be fantastic.

🔍 Escape Room

We are still planning to hold a virtual escape room towards the end of March. If you would like to help organise this event - set the puzzles or help sort the tech - then please do get in touch with us at npsabath@gmail.com.

There will be more information about what's involved and how to take part after half term.

Can you help?

Please make use of Amazon Smile & The Giving Machine

Since anything beyond the basics now has to be bought online, please don't forget to use Amazon Smile and The Giving Machine for your purchases. The NPSA receives money for every purchase you make, and although the percentages are small, those amounts do add up. Every little helps, as someone else once said.

Simply shop at smile.amazon.co.uk/ch/1014793-0 or with **AmazonSmile** ON in the Amazon shopping app, and Amazon will make a donation to the NPSA.

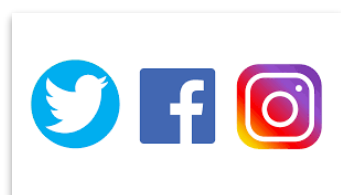

You can also continue to support the NPSA through the Giving Machine for other online purchases at retailers like Iceland, M&S, Argos, Travis Perkins & Pets At Home (and lots more!) All you have to do is start your shopping here:

<https://www.thegivingmachine.co.uk/causes/newbridge-primary-school/>.

At the moment we have 184 registered users with the Giving Machine and only 3 are active. Download the FREE Shop&Give Reminder to your desktop and raise even more for us. Whenever you search for shops and products online, you'll see TheGivingMachine's 'giving' heart next to participating retailers. Click these retailers and you'll raise a free donation for Newbridge Primary School when you make a purchase – it's as simple as that! Find out more and download the reminder [here](#). Also, the **Shop & Give mobile app** instantly connects you with millions of shops & free donations. The app is free to download from the [Apple App Store](#) and [Google Play](#).

Thank you for your support.
