All of the dates for the remainder of the year can be found on the calendar on the website, [here](#).

Please [click here](#) for the term dates.

Dear Parents and Carers,

The weeks are passing by and the school calendar is getting busier – it has been non-stop this week with more creative events and activities. Please keep a check on the left hand side of the newsletter and the school calendar [here](#) for all of the remaining dates.

Please remember that Friday 27th June is an Inset day, meaning the children are not in school.

European Day: Year 4 made their way around Europe last Friday, when the children dressed to represent different countries and sample a variety of European foods. Whilst learning key facts, the children and staff had much fun. Thank you parents for the organising brilliant costumes, you can see these below.

Lower School Sports Day: Thank you to everyone who attended the Lower School Sports on Tuesday morning. As always, it was a great event, where the children impressed all of the adults. Everyone took part and cheered each other on. The toddlers' race was brilliant, too – with some focused competitors eager to take part. Well done, and many thanks to our Year 6 children who helped to run the activities and to all of the staff for their organisation, and especially to Mr Wallace.

Boys' Football v OPJS: The boys had a nerve-wracking day on Tuesday, waiting to travel to OPJS for a critical league match. On leaving, accompanied by Mr Farrier and Mr Wallace, they were definitely up for it, and were committed to playing at their best. Read on for Mr Farrier's report, it's a good one.

Year 2 Out and About: All of our Year 2 children had the opportunity to visit No 1 The Royal Crescent, this week. They were learning more about their enquiry 'What Makes Bath Beautiful?' Their recall of what they have learnt about the Georgians was impressive. Throughout, the children demonstrated responsible and respectful behaviours – Miss Williams and Mrs O'Gara were delighted with the children's conduct, and their resilience to walk into Bath, and back.

Year 3 Out and About: Following on from a visit from the Victoria Art Gallery, this week the Year 3 children visited the Holborne Museum, on Wednesday. After a full day of exploring the museum and being involved in creative workshops, each child came back to school with a beautifully crafted clay Greek shield. They are intricate in design – we will share images next week.

Whole School Sing-Up: On Wednesday, the whole school participated in the global Sing-Up Day celebration. The children learnt and performed 'In Me I Trust', as all schools did, and it was a stunning performance. They sang other songs, too, and the Year 1 and Year 2 choir also sang. Thank you, Mrs Keep, for leading music in school and for planning this event – it was very special. Please listen to our school's 'In Me I Trust' [here](#).

Books and Bagels: This morning, we were delighted to welcome families to read together and to enjoy a bagel and fruit. The event, to promote a love of reading was well very attended. Thank you to all who came. And to the Reading Team for organising this event. It coincided with our Everyone Active dance session in the hall – but as families moved between the two activities, it brought even more joy to everyone.

The School Allotment: Each Tuesday, after hours, parents and children have kindly come back to school to plant, weed and water the school allotment at the top of the field. It is looking so much better. We are all very grateful for everyone's help, and especially that of Lucy Anderson and Stephanie Meats who are coordinating the team effort. There is still time to add your name to the list of volunteers below, should you like to help.

NPSA Update: Thank you for all of the donations in return for Mufti, today. These are for the stalls at the Circus on Tuesday and Wednesday, next week. Tickets have almost sold out and the remaining ones can be purchased via [Rally Up](#). A raffle will also take place with some fantastic prizes to be won, tickets can be purchased [here](#). The Summer BBQ will take place this evening, thank you to everyone who has helped plan the event. Tom Dunn - Bath legend, has switched a rugby ball for a pair of tongs to cook and serve up the hog roast. We are incredibly grateful that, after a winning season ending with the spectacular match last Saturday, he can afford his time to support our school. Thank you, Tom – and many congratulations from the whole Newbridge community. The NPSA AGM is taking place on 1st July, we would like as many parents as possible to come along to help shape our plans going forward. On 4th July, our annual NPSA Festival of Football is taking place after school. All information can be found on the poster below.

Hot Weather: This looks set to continue next week. Please ensure your child has a filled water bottle, a hat, and sun cream applied before school. We will again ensure plenty of shade.

Wishing you a good weekend,
Gill Kennaugh

★ STARS OF THE WEEK ★

★ Bees – Arthur B, Ezra S

★ IDO – Annabel B, Toby S

★ 2OG – Ava LR, Layla J

★ 3DE – Luke W, Marc R

★ 4B – Beau G, Hannah M

★ 5HK – Arthur L, Audrey E

★ 6KR – Marley G, Rhed M

HUGE
CONGRATULATIONS
TOM DUNN
and FAMILY

Well done to Tom Dunn,
his family and all at
Bath Rugby.

Sophia and Toby were
very proud to share their
exciting weekend in our
school assembly.

Lower School Sports

Football v Oldfield Park

Newbridge Footballers Set High Bar in the League!

As the Bath Schools' Invitational League comes down to goal difference this year, the Newbridge football team played their part, posting a very impressive 5-0 away win to Oldfield Park Juniors.

Starting the game 1 goal difference worse off than table-topping Moorlands, Newbridge knew that scoring goals was more vital the ever. Despite very hot conditions and an unpredictable playing surface, all 14 boys were up to the task and dug deep to deliver.

The first half was understandably nervy and despite playing some very good football, goal scoring chances were hard to come by. A 1-0 lead at half time was thanks to another clever finish from Flynn, whose fast feet and turn, beat the OPJ keeper.

The second half was much more composed, and the boys relaxed and played the football that has seen them enjoy such success over the past 2 years. In the third quarter, a lovely goal from Ollie was followed by a truly route 1 goal from goalkeeper James, who booted the ball over all the outfield players and saw it bounce over the opposition keeper.

The final quarter was played with high energy by both teams, and two more goals from Flynn, his hattrick being wrapped up with a wonderful solo run and shot, gave Newbridge the win they deserved and a 4-goal advantage over Moorlands.

So, all eyes are now on the final match of the season, Moorlands v WASPS (date TBA). With WASPS fighting for the silver medals, and Moorlands going for the league, it is guaranteed to be a tense league finale!

Players of the Day:

Stripes:

James W. Safe hands, great saves, and topped off with a fine goal!

Jake S. Clever wing play and crosses, worked hard throughout.

Reds:

Flynn N. A crucial hattrick, full of running and energy, and great team play.

Charlie R. Solid defending and passing, ran relentlessly to protect a clean sheet.

The Team:

Arthur L, Ben T, Will B, Charlie R, Sam R, Ollie A, Barney P, Jake S, James W, Tom C, Flynn N, Harry B, Tommy E and Rhed M

Year 4 Wow Day

Last week, Year 4 finished off their enquiry “What Makes European Countries Unique” with a Wow Day. Thank you to Amelie R for her report below on how the day went; “Wow Day was amazing! We got to dress in different European Clothes instead of uniform. Then we had a fashion show. We mixed classes and made fact files in pairs, which was good because we got to talk to new people. Next, we had our European Café which was the best! We got to try lots of different European foods like scones, chocolate, olives and gnocchi, but not all in one mouthful! We all thought it was one of the best school days”!

The Pantheon

As part of our enquiry last term, Chloe made this amazing model of the Pantheon!

"I love making things and it was a really interesting enquiry so I wanted to make something for it. We got some clay and modelled it into a Zeus statue. It was hard to make it stand up so we used cardboard to make it stable. We made the building out of card and painted over it. I felt really proud of myself once it was done!" Chloe, 3M

Allotment Team Update

We had a fantastic turnout at the school allotment on Tuesday evening. We cleared two more beds and planted squash, marrow, raspberry and courgette plants (fingers crossed the caterpillars don't get to them first—though the children did a brilliant job re-homing them to wilder areas!). We were also delighted to receive a kind donation of tomato plants over the wall from a local resident. A big thank you to Stephanie and Esther, Chris and Emma, Lora, Rob, Zeke and Solly, Otilie, and Helen for all their brilliant help!

Key Stage 2 Futsal

Girls' Futsal has been going from strength to strength at Newbridge with new players joining the fast paced and action-packed fun on Thursday mornings.

Many of the girls will then be transferring their Futsal skills back into the grass Football game this term with the A Team hosting OPJS in the BANES plate and the Development Team taking on WASPS in another friendly.
