

NPSA NEWS

*As this is the final newsletter of the year, it's time to announce our fundraising total: **together we have raised just over £25,000** which is an INCREDIBLE amount.*

Well done and thank you to everyone who organised, helped at or attended an event - you made this happen. Read on to find out more about exactly how this money was raised and - more importantly - how it has been, and will be, spent.

Farewell Mr Cumpson!

Our last event of the year, and we certainly had the right weather for it! An enormous thank you to Mr Cumpson for generously volunteering to go in the stocks on Friday afternoon - what a legend! And thank you to Gill Simpson, Louise Broom, Emma Puzey, Tracey Pollard, Neil Clews, Fiona Remnant, Kathy Runacres, Sarah Stacey, Ash Purves and Felix K. for organising and running this fast and furious event. Between the stocks and the sweetie stall, we raised a brilliant £334!

Financial Roundup

NPSA fundraising September 2021 - August 2022

WOW

...so many
amazing
fundraising
events

NPSA spend September 2021 - August 2022

Looking forward 2022/23

The start of the new term is always exciting and incredibly busy. We will need a team of four to start organising the **NPSA calendar** as soon as term begins - could that be you? In particular, we need someone with the skills to create the artwork. Please do volunteer if you can.

Can you help?

We'll also need a team of three or more to organise **Firework Night**. The fireworks are already booked for 2nd November, so now we need a team to organise the night, including refreshments.

We have clear 'how to' guides for both of these activities. If you'd like to read them before committing, please email npsabath@gmail.com and we'll send them to you.

Scarecrow Trail

A final reminder that you have one week left to sign up to make a scarecrow for this year's Scarecrow Trail. The event will now take place on **Sunday 11th September**, so you have all summer to create your scarecrow - an animal from page or screen.

Remember, we don't need creations worthy of the BBC props department, we just need something the children will recognise - wonky and original is where it's at! We do still need more volunteers, so please sign up [here](#) by Sunday 24th July.

Gardening Volunteers

We now have 12 fantastic, green fingered parents who are taking time to work on various areas of the school grounds to improve things. This involves clearing, digging, weeding, pruning, planting and much, much more.

So far, they have cleared the Gravel Garden behind the Upper School and tidied the Spiritual Garden in the EYFS playground. It already is such an improvement and we have plans to invest in some bird feeders, bug houses, bird baths and other equipment to make it even more lovely, as well as some new plants and shrubs too!

We also need to thank Roots for their hard work in getting the allotment in better shape, and we look forward to seeing the progress (and tasting the fruit and veg too) in the near future.

BUT, we still need you! If you can paint a fence, sand down and repair a wooden bench or two, or lend a hand with weeding or planting we'd like to hear from you.

Our thanks to those who have already volunteered. If you want to get involved please email npsabath@gmail.com.

 **THANK YOU & HAVE A WONDERFUL SUMMER!**

CIRCUIT OF BATH WALK

25TH SEPTEMBER
2022

TAKE ON UP TO 20
MILES AND STAND UP
TO HOMELESSNESS

Julian House
The home of opportunity

TICKETS:

£12 ADULT

£6 CHILD

£25 FAMILY

WWW.CIRCUITOFBATHWALK.CO.UK

Join us for the Circuit of Bath Walk and take a stand against homelessness.

Challenge yourself to take on the full 20-mile route - or a distance of your choosing - and raise vital funds and awareness to help support homeless and socially excluded people across the South West.

By taking part you'll get to explore the countryside like never before, while experiencing stunning views overlooking and around the beautiful city of Bath.

In addition, you'll be helping us provide invaluable support to over 1,800 vulnerable men, women and children across the region. Without support like ours, the life expectancy of a long-term homeless person is just 44 years. **YOU** can help change that!
