1. Welcome – Fran

2. Review of last terms events

Cake/ Uniform Sale

- £250 raised for cakes, £40 for uniform
- Feedback is to assign roles beforehand so people know what is expected. Make sure people arrive in advance of school finishing.
  - 2 are needed on the door
  - 2/3 needed in the table square
- It was agreed that 1 sale per half term is the right amount.

Bath Half Volunteering

- 1 parent ran to raise money for the NPSA, and raised £305
- Hannah Williams was the lead for volunteering
- £40 was paid per volunteer
  - Raised £380 overall from the volunteers
- Looking forward
  - Next Half Marathon is 15 March 2025
  - Drive to get people to take up charity/ sponsorship places (as some people ran but not for sponsorship)
  - Look into the minimum amount needed in sponsorship

3. Forward Look

- a. We did not get the lottery grant (subsequently found out that they do not support schools in this way).
- b. Alternatives to moving the library into the foyer/ hallway area (a dad from 1G has put some plans together for this, but will cost about £10K)
  - Empty the current library
  - Cull the books (Emma Dykes might lead on this during Summer Holidays)
  - Buy something for the Lower School – trolley/ cushions
  - Look into Crowdfunding – this can be done via RallyUp
  - Build an Amazon Wishlist
  - Use Facebook for wider community reach
