Dear Parents and Carers,

It has been a bumper week – I cannot believe what we have fitted in and experienced since last Friday.

Please keep a check on the left hand side of the newsletter and the school calendar [here](#) for all of the remaining dates. Whilst covering all of the curriculum, our weeks continue to be action-packed.

Please remember that tomorrow is an Inset Day, meaning the children are not in school.

Upper School Sports Day: What a fantastic showcase today's Sports Day turned out to be. From the opening moments to the final race, our Upper School pupils gave their all – not just in the events themselves, but in their leadership, behaviour, teamwork and sporting spirit. This was all in line with Tom Dunn's messaging – we were very fortunate to welcome him to the assembly this morning to speak about being champions beyond the winning and, that there is always more to come. Tom kindly brought the winning trophies from Bath Rugby's season – what a privilege it was for us all to enjoy seeing these, and hearing about Tom's season. Our Year 6 Sports Captains and House Captains were instrumental in making the day work, modelling our values and supporting their teams with enthusiasm – thank you to them all. A special thanks goes to Mr Wallace, our dedicated PE Leader, who ensured everything ran like clockwork. It really was a great way to end the week.

A Musical Performance: On Monday, all of the children were treated to a musical performance by a family who live close by and who wanted to share their skills and talent to inspire the children. The children listened attentively to pieces played on the violin and viola. Our visitors provided much detail about the music, and the children asked pertinent questions. It was indeed inspiring.

The School Allotment: The School Allotment is looking great, with another bed weeded and planted. The beds take much watering, so if you are able to help in this way, I know Lucy Anderson would be very grateful. Please add your name to the list by contacting the school office.

NPSA Update: The BBQ, what a hit, in glorious sunshine last Friday. I especially offer my thanks to the team of volunteers led by Linzi Hole and Kate Whiting who ensured all families had a lovely evening socialising together. Sincere thanks is extended to Tom Dunn, who gave his time to cater for the event with his company, Black and White. What a way for Tom to spend the end of an incredible week! Thank you for your support in attending the evening, helping to raise much needed funds for our school and community.

The Circus came to town on Tuesday and Wednesday – seeing a big top on the school field was exciting in itself. With both performances sold out, we knew many families would enjoy this treat, and it did not disappoint. The stalls were for everyone to get involved with, and thank you for the donations which made these possible. The fun continued on Wednesday, when every child, thanks to the NPSA, got to take part in a circus skills workshop, inside the marquee – it was magical. Thank you to Fran Derrien for pulling this off, and to the parents who erected and took down the marquee – what a week it's been!

The Summer Raffle is taking place with some fantastic prizes to be won, tickets can be purchased [here](#). The Summer The NPSA AGM is taking place on 1st July, we would like as many parents as possible to come along to help shape our plans going forward. On 4th July, our annual NPSA Festival of Football is taking place after school. All information can be found on the poster below.

I know I have said it before, but our school would not be the school it is without the NPSA events and all those who ensure events happen. We are all so fortunate – thank you!

Downloading from Google Classroom: Soon, the Google Classrooms will close down, to organise next year's. Please take time to download any photographs you want, now.

Transition: We are now in the phase of transition and preparing for next academic year. Our new Early Years pupils visited this week with their parents. On Thursday 3rd July our Year 6 pupils will visit their secondary schools. At the same time, children across the school will move to their new classrooms and meet their new teachers. The class structure for 2025/26 will be emailed to parents on Tuesday 1st July. School Reports will follow by the end of the week, and a by request Parents' Evening will be held, in person, on Tuesday 9th July. Booking for this will be by a form, sent with the report.

Nut Free Foods: We must ensure that no foods brought into school contain nuts. This has always been the message as we have members of our school community with severe nut allergies. We have noticed wrappers around school of bars which contain nuts, and can only assume that these are being eaten after school at varying clubs. Foods containing nuts are not permitted on the school grounds, at any time.

Wishing you a lovely, long weekend,
Gill Kennaugh

What a community of helpers we have here at Newbridge. I'd like to give a special mention to Mr Clark's Rangers who continually get involved, learn new skills and help keep our school looking wonderful. Thank you to all of the children who are involved, you are great examples of Newbridge Citizens, and to Mr Clark for creating this experience.

Year 2 visit No 1 Royal Crescent

Year 2 had such an exciting, long awaited trip to No 1 The Royal Crescent, last week. We walked in the heat very sensibly to the Crescent - there was no sign of Robbie Williams but we did take part in a fantastic morning of two halves. We took turns in either going on a tour around the house looking at the original artefacts from the Georgian period or learning about the history of the Royal Crescent, and creating a Georgian inspired wallpaper using block printing. The children were so well behaved and love linking all this cross curricular work based around our enquiry of 'What Makes Bath Beautiful?'
