

Year 4

Reading:

Please read daily, if possible, or at least 3 times a week, for 20 minutes.

Times tables:

Practise all times tables, up to 12 x 12, regularly to increase speed and accuracy as it is an expectation that children can recall all the times tables by the end of Year 4.

A helpful way for children to practise and test themselves is on this website – www.timestables.co.uk

- or children can learn their times tables via the Doodle Maths app.

Spellings:

Learn the weekly spellings. The spellings can be found on the school website. Please go to <https://www.newbridge.bathnes.sch.uk/classes>.

Doodle Maths/English:

To support children in their understanding of objectives in Maths and English taught, please log in to the Doodle app so the children can access personalised activities. The expectation is for children to meet their target by achieving the required number of stars over the week. There will also be targeted 'extras' set which will be related to what is being taught in class or areas of focus set by the class teacher, including their weekly spellings on Doodle Spell.
