

HOME SCHOOL AGREEMENT

We, at Newbridge Primary School - children, parents/carers, staff and governors - have a common vision and five core values. These are: **Learning and Communication**, **Creativity and Imagination**, **Personal Development**, **Collaboration** and **Citizenship**. Together we share a passion for education. We support our children to aspire to be the best they can be. We help them to be responsible for themselves, while respecting others and the world around them. We encourage them to find value and enjoyment in learning, both now and throughout their lives.

Our School will:

- Value each child as an individual and provide them with a secure and happy place to learn
- Have high expectations of children in their learning and behaviour
- Provide a curriculum which meets the needs of individuals, is real and relevant, will equip children to face later life and be responsible citizens
- Promote the British Values of democracy; the rule of law; individual liberty; mutual respect for and tolerance of those with different faiths and beliefs and for those without faith
- Through home-learning, provide opportunities for children to extend and deepen their learning, fostering the process of lifelong learning
- Model and encourage children to have a positive attitude towards everyone regardless of difference in gender, race, culture, belief, values, age and need
- Promote a healthy lifestyle
- Encourage parents/carers and the wider community to support school life
- Provide an open door policy where concerns are listened to and where we work together to attempt to address them
- Inform parents/carers about their child's learning and behaviour through either written or verbal communication

Our Family will:

- Support the school's ideals as expressed in the values and ethos
- Make sure our child attends school and arrives at school on time and is collected promptly
- Contact the school if our child is absent
- Make the school aware of any concerns or problems that might affect our child's learning, behaviour or well-being
- Support the school's policies on behaviour and work with staff to resolve any concerns
- Support the wearing of school uniform and ensure all items are named, including appropriate P.E. kit
- Support our child with home-learning and encourage a positive attitude towards all opportunities
- Attend parents'/carers' meetings to discuss our child's progress and agree to support their 'next steps'

As a Pupil, I will:

- Come to school safely and on time
- Bring the things I need to school and take care of them
- Wear correct school uniform
- Make sure my learning is the best it can be
- Make sure I make the most of the home-learning opportunities and ask for support if I need it
- Value our school and keep it safe and tidy
- Foster the school values of Learning and Communication, Creativity and Imagination, Personal Development, Collaboration and Citizenship
- Make sure everyone in the school feels happy and included at all times
- Be respectful, helpful and polite to everyone
- Share any concerns I may have with a grown up I trust
