This week, Year 3 completed their Scootsafe training, learning how to ride their scooters safely, especially around roads and pavements. Thank you to the South Ribble Active team for working with our children. We are looking forward to working with you over the next few weeks on 'Tots on Tyres' and

'Bike Fix' with Year 6.

On **Thursday 1st February**, we will be running **'Tots on Tyres'** for **Reception**. **Tots on Tyres** is a cycle training programme for pupils to learn to ride a balance bike and progress onto a bike with pedals. Your child is invited to take part in the free course available Bikes are provided, please bring a helmet.

Reception were visited by the Leyland Crew at [Lancashire Fire and Rescue Service](#) on Thursday, as part of their 'people who help us' topic. Fireman Dave and his crew talked to the children about what firefighters do and the clothes that they wear. They then took the children out to explore the fire engine and all of the important equipment. The children then had the opportunity to sit in the back of the fire engine and squirt the water from the hoses! They had a lovely morning - thank you again to the Leyland team at Lancashire Fire and Rescue! [#Aspiration](#)

Well done to the Year 5 and 6 Year Cross Country runners who competed at [Hutton C of E Grammar School](#). The weather was typical for cross-country - cold and wet! Both the boy's and girl's teams were brilliant, showing aspiration and resilience.

The Year 5 and Year 6 Indoor Athletics competition at [Academy at Worden](#) was a great event. The NPA team performed really well and demonstrated a real aspiration to perform well. The children behaved impeccably and supported each other through every race. Well done Team NPA!
