Important messages

Updated COVID Advice: As we learn to live safely with coronavirus (COVID-19) the advice for children with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, is for them to continue to attend their education setting. However, children who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. Children can come back to school and resume normal activities when they no longer have a high temperature and they are well enough to attend. It is no longer recommended that children are tested for COVID-19 unless directed to by a health professional. However, if your child has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test. As always, if you have any questions or queries please do not hesitate to contact us enquiries@northbrookpa.org.

Uniform and Appearance: A key feature of our policy is what we wear (uniform) and how we wear it (appearance). You can find further information on our website link <https://northbrookpa.org/parents-carers/school-uniform>. From Tuesday 3rd of May we will be writing to parents about any uniform issues that we see in school. Please support us by rectifying the issues quickly or speaking to us directly so we can support as appropriate. Please can parents also ensure their children's uniform is clearly labelled with their name and that children have a coat for school even when the weather is warm. Thank you!

Promotional Video: It was great to welcome Alex from Viaduct Video into school on Tuesday to help us create a new promotional video for our fantastic school; capturing everything that makes us who we are! Here are a few stills from the productive day to wet your appetite for the video that will be coming soon...

Important dates for the half-term ahead...
