

Dear Parent/Carers,

We are very excited to be taking part in an 'Anglo Saxon' themed enrichment day at Woodlea Junior School on Tuesday 20th May. This will be the culmination of our wider curriculum work on 'The Anglo Saxons'. The children from Northbrook will walk to Woodlea and spend the day with their year 4s, enriching and embedding their history curriculum taught during the term.

There will be opportunities to create and taste Anglo-Saxon food, learn an Anglo-Saxon dance, use Anglo-Saxon writing techniques to make runes and create Anglo-Saxon jewellery.

Additional to the activities in school, we would like the children to dress in **Anglo Saxon costume for the day**. We have added an example of what they may look like; we do not expect you to go to great expense and, as you can see from the images, costumes can be homemade and just as effective. If you need any help with this, please contact school.

If you need any help with this, then please contact school.

As we will be spending some of the day outside, please make sure that children have appropriate footwear and coats for the outdoor weather. We fully expect all children and staff to have an amazing enriching experience during the day, bringing their learning to life! If your child has a school lunch, this will be provided by

Northbrook in the form of a packed lunch. If your child has a packed lunch, these can be sent in as normal.

The cost for the day is incorporated in the enrichment cost, which covers all activities in the school year. This can be paid on Arbor.

Thank you for your continued support. I am sure you agree, that this is a fantastic learning opportunity for the children.

Yours Sincerely

Jillian Shorrocks

Executive Headteacher
