Sun cream – Please read and sign this section below

Ideally, we would like parents to apply sun cream to children before they come to school. The long-lasting protection types are recommended. However, if your child is prone to burning and you feel they may need an additional application, we have factor 50 in school. Your child will be able to apply the cream themselves when needed, under the supervision of a classroom staff member. We are aware that younger children may require some assistance with this. If there is any extra information you may feel is important to note such as allergies please make school aware.

**** I give permission for my child to apply sun cream within school under the supervision of a classroom staff member**

Internet Permission- Please read and sign this section below

As part of our pupil's curriculum enhancement, we provide supervised access to the Internet. This may include times when pupils will need to undertake independent research/use. Our school internet access provider operates a filtering system that restricts access to inappropriate materials. Internet safety is taught and practiced throughout the curriculum.

**** I give permission for my child to access the internet**
