Celebration for Coronation of King Charles III

Dear Parents/guardians,

On Friday 5th of May, we will be celebrating the Coronation of King Charles III in school, with a day dedicated to the King and his upcoming coronation as monarch on Saturday 6th May 2023. This will involve individual work in class and a 'coronation picnic' on the field as a whole school with music from the decades and party games.

To really add to the celebration for the children, we would like to invite children and adults to wear 'Red, White and Blue' themed clothing for the day. As we are eating outside, children will be sitting on the grass and so we would like to also ask each child to bring in their own towel or blanket to sit on for their lunch. They also need to wear sensible shoes with no open toes or heels as they will be in their own clothes.

Any children entitled to a free school meal or those who have already ordered a school lunch for that day will receive a picnic lunch to eat outside. Any children not usually on school meals who would like a coronation lunch on Friday, need to order it from the office by Wednesday 3rd May. If your child has a packed lunch brought from home, please be aware that this will also be eaten outside.

Alongside the themed picnic celebration, children will be engaging in a range of activities across the day linked to the history of the British Monarchy and King Charles's life. We hope this will be a fantastic day for the children to celebrate an important event in British history and understand its significance.

If you have any queries, please do not hesitate to contact the office.

Yours sincerely,

Mrs Morris
