

EYFS – Nursery and Reception Enrichment, 2025 / 2026

Dear Parents, Carers and Families,

We are very excited to share with you your child's enrichment for the year ahead.

Your child's teachers have looked at the curriculum and where possible planned enrichment opportunities spread across the year. Your child will have the opportunity to experience a range of exciting and engaging activities. They have tried to be innovative and creative in bringing their learning to life and educationally beneficial.

Enrichment across the school ranges from visits out of school, visitors coming in, experience days and class-based sessions. I am pleased to say that this year Northbrook is in a position to fully fund or partially subsidise some of the enrichment, with only a minimal cost to our families. that bare a cost. This is thanks to financial support from Endeavour Learning Trust and our Friends of Northbrook, as well as budget planning.

Below you will see a breakdown of the enrichment and the cost per child for each activity, yet we are only asking for a £10 contribution per child for the whole year.

We ask that you make your payment using the online payment system Arbor.
