

## Northbrook Primary Academy - Homework

**Class:** Reception

**Half-term:** Autumn 2 (Monday 28<sup>th</sup> October – Friday 13<sup>th</sup> December)

**Theme:** Light It Up

**Instructions:**

- Choose and complete at least 6 activities over the course of the half-term.
- Hand in through Seesaw or bring into school.
- Each piece will be worth 1-10 house points.
- We expect you to complete each homework task with care.
- We expect you to complete each homework to the best of your ability.
- Good luck! We can't wait to see your work.

|---|--|---|
| <b><u>Shape Hunt</u></b>  | <b><u>Story Sequence</u></b>   | <b><u>Answer the Question</u></b>   |
| What shapes can you find in and around your house? Can you find a circle, triangle, square or rectangle? Can you make a picture using these 4 shapes?   | Read a story with someone who lives in your house. What important things happen in your story? Can you draw 5 pictures to show different things that happen?     | What different ways can you think of to stay safe on Bonfire Night? You could make a poster or record a video to teach other children!  |
| <b><u>Puppet Show</u></b>   | <b><u>Reading for Pleasure</u></b>   | <b><u>Autumn</u></b>  |
| Can you make a shadow puppet at home? What different shapes/animals can you make? Can you make a puppet show to tell a story with your puppet?  | Read the books that you choose to take home every week. Enjoy them with all your family as many times as you like.   | Go for walks with your family and carry on watching the trees as they lose their leaves. Scuff through the leaves and watch them flutter through the air. What animals do you know that sleep in the day and come out at night? |
| <b><u>Zip it up!</u></b>  | <b><u>My name is...</u></b>  | <b><u>1, 2, 3, 4, 5</u></b>   |
| As the weather gets colder, you will need to make sure you are wearing your coat to school every day! Practise putting it on and zipping it up by yourself every day.   | Practise writing your name as often as you can. How many different colours can you use? Can you write it big and small? Can you write it in pencil and felt tip? | Make a collection of objects to represent the numbers 1,2,3,4,5. How many different ways can you show each number? What objects could you use?  |
| <b><u>Away in a Manger</u></b>  | <b><u>Write a list (and check it twice!)</u></b>   | <b><u>Children's choice</u></b>   |
| Retell the Christmas Story! You could draw characters and make them into puppets, use dolls or figures around your house or even use Lego people. Can you build a stable for baby Jesus to lie in? What other characters do you need? | Write or draw a Christmas List to Father Christmas! Make sure you finish it with your name so he knows who it is from.   | Have your own homework idea linked to our topic or what we have been learning about. Extra points for creativity.   |
