

Headteacher Mr M Cunniffe

13th November 2024

Dear parents/carers,

Maths Week 18th – 22nd November

The week beginning 18th November, our whole school is having a Maths Week. The children will still have the full range of subjects taught, but we are really focusing on how number is in so many aspects of our daily lives.

One of the things we are inviting children to do on **Monday 18th November** is to come to school dressed up and not have to wear school uniform that day.

Reception, Year 1 and Year 2

Children can come in clothes that have numbers on or in a colour linked to one of the Numberblock characters:

Numberblock 1 is red; block 2 is orange; block 3 is yellow; block 4 is green, block 5 is blue.

Year 3, 4, 5 and 6

We will be having a focus on learning times table facts and using TT Rockstars to help with this. On Monday 18th November children can come dressed as a Rockstar. This could be as simple as jeans and t-shirt, but could include accessories such as bandanas.

Times tables are a very important aspect of maths and knowing these facts makes such a difference to maths confidence and accuracy. Your help learning these facts both in the focus week, but beyond as well is incredibly important. Your child will be given/reminded what their TT Rockstars login and password is, so they can practise at home as well as in school. This should be used regularly.

We are hoping that the week will be a really positive and memorable week for the children. Your support will help make it a success.

Year 4 Parents: As Year 4 children have Forest School this day, please ensure that you also send in their wellies/old trainers and a change of clothes for the Forest School session.

Please see next page for some costume ideas.
