

Headteacher Mr M Cunniffe

Monday 28th October 2024

Dear parents,

NPA is moving to Arbor Parent Portal & Parent App

We are excited to announce that we have moved our MIS (Management Information Systems) to Arbor this academic year and are preparing to move parents over to the Arbor Parent App in November 2024.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system. It will eventually mean that there will be one platform for school communication and school payments (replacing our current use of ParentPay and ParentApp Connect).

We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below.

[Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#).

We will send further communication on the Arbor Parent App and how to register on Friday 1st November. Please look out for this information and register your child when prompted. In the short term, we will be continuing to use ParentPay and ParentApp Connect so there will be no issues with school communications or school payments

If you have any queries, please contact the school office on 01772 421599. We hope you are looking forward to using this new feature as much as we are!

Kindest regards,

M Cunniffe
