

Dear Parents and Carers,

Reading Plus Information Session - Wednesday 8th October 2025

On Wednesday 8th October we will be holding **Reading Plus Information Sessions** for families of children in **KS2**.

Promoting a love of reading and developing comprehension skills, is such an exciting part of your child's journey through school. Reading Plus is a fantastic programme which can support your child's progression in reading. At this meeting, we'll show you how the programme works and explain how you can use it at home.

To make it easier for everyone to attend, we are offering two sessions on the same day. Please come along to whichever time works best for you:

9.00am

3.30pm

We really encourage you to attend one of these sessions, as working together makes such a big difference to child's confidence and progress in reading. Children can attend the 3.30pm session.

We look forward to seeing you there. Thank you for your continued support.

Kind regards,

Gemma Astbury
