Tuesday 28th June 2022

Dear parents,

Northbrook Primary Academy Sports Day – Tuesday 5th July

This year's Sports Day take place on Tuesday 5th July and we are delighted to be able to invite parents to the final races and medal ceremony. We will also upload photos and videos via Seesaw of the morning activities as the children move round a variety stations challenging their athletic ability and teamworking skills.

All classes will begin at 9:30, it is vital that your child arrives to school on time to ensure they have time to be placed into the right group and play a full part in this whole school event.

Each class will be split into their colour house teams and will compete in 14 different sporting activities, which will include the egg and spoon race, javelin throw, hockey dribble and speed bounce. Sports leaders from Wellfield High School will be leading each activity, supported by Northbrook Academy staff. There will be a 10-15minute rest period after 7 activities to allow the children to recover and hydrate.

In the afternoon, we are extending the invite to a parent to watch the flat races and the medal ceremony, where the winning runners and house team will receive their medals and the House Captains will be presented with the sports day trophy. Please arrive at school at 1:00pm and enter through the Hague Avenue car park gates if travelling by car or the KS1 gate if walking to school. This car park can also be used for parking if required. During the races parents will be seated on the opposite side of the track from the children and children will not be allowed to leave their competitors area to go over and see parents. This is so we know where all our children are during the event. At the end of the event we will take the children back into school and collection at 3:10/3:15pm will be from the normal doors.

We would be grateful if all children could arrive at school in their PE kit (purple round neck t-shirt, black shorts, trainers and school hoody. The children may also wear tracksuit bottoms/joggers if they wish, as they do for PE lessons.

IMPORTANT: Please will every child bring a plastic bottle of water.

Will you please make sure that your child(ren):

- Bring a sun hat/cap
- Applies sun cream before leaving for school
- Wears suitable footwear/trainers
- Wears their correct school PE kit
- That any hay-fever sufferers take their medication before leaving for school

The lunch arrangements will run as normal, but the children may want to bring an additional snack for the morning session. School will finish at the regular time.

We will hold an assembly on Monday next week to ensure that all the children know how the event will run and our expectations for the day.

We hope that the day will be a celebration of what it means to be part of our school community, with each and every child demonstrating not only their physical attributes but also the NPA values that lie at the heart of all that we do. Children may be removed from some or all of the activities if they do not behave in line with our values and expectations.

Many thanks in anticipation for your support. Any questions or queries please do not hesitate to contact me at school.

Kindest regards,

M Cunniffe
