

Communication and Language

We will use Colourful Semantics to support vocabulary development and application. Symbols are used across the curriculum to support learning and interactions. We will be learning Spanish through cultural experiences for a full morning once a half term. We will have lots of fun in our Attention Autism sessions which will support attention, communication and social skills.

Literacy

We will continue to develop our phonic and spelling skills through our daily Read Write Inc. sessions. The children will read daily in class with an adult, reading at home is strongly encouraged to consolidate and develop vocabulary and fluency.

PSHE and Life Skills

Talking turns and sharing will be encouraged this half term as we all get to know each other and settle into our new class. We will be joining Whole school and key stage assemblies for Picture news.

Maths

Alongside our peers we will be using White Rose Maths, Spring brings us work on place value, number, length and height, mass and volume.

Some of our children will be working on their times tables through TTRs.

Texts

Story with repetitive pattern.
Traditional rhymes.
Story on a theme.

RE

This half term we will be learning about Islam through the question; How might beliefs about creation affect the way people treat the world? And Judaism with the question; Why might some people put their trust in God?

Understanding the World

In Science we will be looking at light and dark. Identifying light sources, why we need light and how shadows are made.

History covers transport over time, naming and grouping. Comparing today's transport with vehicles from history. We will also be taking part in a trip to Martin Mere wetlands and taking our learning outside the classroom as much as possible.

Expressive Arts

This includes all Art, Music and Drama sessions.

We will be learning about the artist Claude Monet, looking at colour and landscapes, creating our own outdoor images.

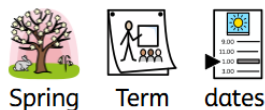

We use the children's EHCP outcomes and PIVATs to track their progress. Experiences, successes and daily achievements will be shared through their annual reviews, parent's evenings and Seesaw.

PD

PE will be with our link class. (Wednesday & Fridays) We will also work hard to strengthen our hands and fingers for handwriting and letter formation through pre-write sessions and other fine motor tasks.

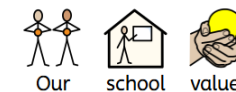

06.01.26 – Back to school
 15.01.26-Birthday lunch
 13.02.26 – Last day for half term.
 23.02.26 – Back to school
 26.02.26 – Community voice
 05.03.26- Birthday lunch
 06.03.26 – World Book Day
 16.03.26 – Mother’s day lunch
 17.03.26 – Parent’s evening
 25.03.26 - Bingo
 27.03.26 – Finish for Easter

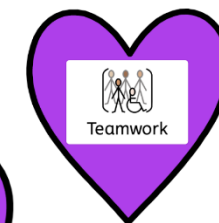

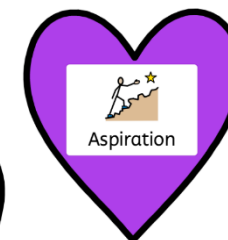

Our school website is full of information about school, SEND and our class page has details on what we will be getting up to. Take a look!

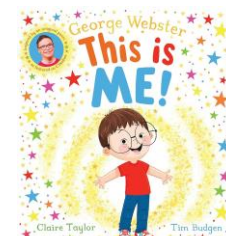

Class timetable
 This is the whole class timetable; however, some children will have their individual programmes and Link class times which will be shared on an individual basis.

Our values are at the HEART of all we do. We are looking forward to shining in each value and earning our house points. Alongside this we will be building awareness of British Values.

Our inspirational person is George Webster. George presents on Cbeebies, is a writer and dancer. He continues to trailblaze in raising awareness of inclusion and raising awareness on overcoming communication barriers. We are looking forward to reading George’s books and find out more about his amazing achievements.
