9. School Uniform – what are our children and young people expected to wear?
10. Exceptions due to adverse weather
11. Pupils who do not wear their uniform in line with the expectations of the school
12. Monitoring and review

## 1. Statement of Intent

Endeavour Learning Trust believes that all our children and young people as individuals have a strong sense of belonging to their school and in the community in which they live. A uniform can help to enhance the feeling of belonging for our young people and it can help to create a sense of identity regardless of their protected characteristics or socio-economic circumstances.

These principles clearly set out the key messages to schools when they are determining their own uniform policies. Within each Endeavour school, uniform must reflect the needs of all pupils, be affordable, offer value for money for the school and pupils' families and create a sense of identity.

We believe that pupils learn most effectively and achieve their best when they are comfortable, able to be themselves, and have a sense of belonging in the school that they attend.

At Endeavour Learning Trust we live out our values of Belonging, Togetherness, Individuality, Transformative and People Centered and these principles are designed to ensure that we continue to put our children, colleagues and communities at the heart of all that we do.

## 2. Legal Framework

These principles have due regard to all relevant legislation including, but not limited to, the following:

- NGA Developing an Affordable School Uniform Policy – Guidance for Governing Boards July 2023.
- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- Education (Guidance about Costs of School Uniforms) Act 2021
- DfE (2021) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2021) 'School uniforms'

## 3. Roles and Responsibilities

**The Local Academy Council is responsible for:**

- Ensuring that the school's uniform is accessible and inclusive, and does not disadvantage any pupil by virtue of their protected characteristics or socio-economic

background.

- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating how best value for money has been achieved in the uniform policy.
- Ensuring compliance with the DfE's 'Cost of school Uniforms' guidance.

**The Headteacher is responsible for:**

- Ensuring that the school uniform policy gives due regard to all pupils, is affordable and equitable for all.
- Ensuring that teachers understand the principles of the school uniform policy.
- Listening to the opinions and wishes of the school community in regard to the school's uniform and making appropriate adjustments where necessary.
- Making reasonable adjustments to the practice where applicable and appropriate.

**Staff members are responsible for:**

- Ensuring that pupils understand these guiding principles and why the school has a uniform policy in place.
- Being vigilant for signs that pupils/families may be experiencing barriers to meeting the uniform policy in line with our safeguarding and pastoral duties.

**Parents are responsible for:**

- Providing their children with the correct school uniform as detailed in the school policy.
- Ensuring that their child's uniform is presentable and adheres to the guidance.
- Making school aware of any barriers that may exist to being able to meet the uniform policy so that appropriate support can be provided.

**Pupils are responsible for:**

- Wearing their uniform with pride.
- Looking after their uniform as appropriate.

## 4. Cost Principles

The Trust is committed to ensuring that school uniforms are affordable and accessible to all pupils, and that the expectations around school uniform do not place an unreasonable financial burden on parents.

Each school will assess the overall cost implications of its uniform policy regularly, including prior to making any changes to the school uniform. When evaluating whether costs are reasonable and proportionate, the school will take into account the opinions and situations of:

- Economically disadvantaged parents.

- Parents with multiple children who are, or will be in the future, pupils at the school.
- Parents of younger children, as they are likely to grow quickly and require new sets of uniform more frequently.
- Parents of pupils with protected characteristics that may impact their ability to access the uniform due to costs.
- Parents and Guardians of Looked after children.

The school will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of certain items, e.g. polo shirts and socks, to ensure their child can come to school in clean uniform every day.

The Trust keeps branded uniform items to a minimal level that is reasonable for all members of the school community. The Trust defines a branded uniform item as any item of clothing that cannot be purchased at a range of retailers, including by virtue of logos, colours, design and fabrics. The school is committed to meeting the DfE's recommendations on costs and value for money. Every care is taken to ensure that uniforms worn across the Trust are affordable for all current and prospective pupils.

## 5. Equity Principles

Endeavour Learning Trust takes its legal obligation to avoid discriminating against any protected characteristic unlawfully very seriously, and aims to ensure that each school has a uniform policy which is as inclusive as possible. All pupils are supported to access a school uniform which is comfortable, suitable for their needs, and reflects who they are. The school will work to ensure that the school uniform's cost does not disproportionately affect any pupils by ensuring that uniforms for all genders are as equal in price as possible and by adhering to the cost principles laid out in section 4.

Schools across the Trust implement a gender-neutral uniform, meaning that pupils are not required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'School Uniform' section of the school policy regardless of the legal sex recorded on the school's records. The school ensures that pupils who are required to follow certain dress requirements, such as those required or favored by particular religious or cultural groups, are enabled to be who they are in order to enrich the sense of belonging to the school community.

Each school ensures that the needs of pupils with SEND and/or sensory difficulties are considered in the uniform policy and adjustments will be made accordingly.

## 6. Responsibilities of our Schools

Our schools have a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform. We

understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

**We will make sure that at Endeavour Learning Trust, uniforms:**

- are available at a reasonable cost
- provide good value for money for parents/carers

**Each school will do this by:**

- carefully considering whether any items with distinctive characteristics are necessary.
- limiting any items with distinctive characteristics where possible.
- considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability.
- keeping the number of optional branded items to a minimum, so that poverty does not become a barrier to a pupil wearing the school uniform.
- avoiding different uniform requirements for different year/class/house groups.
- avoiding different uniform requirements for extra-curricular activities.
- making sure that arrangements are in place for parents to acquire second-hand uniform items avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any changes on cost.

## **7. Second-Hand Uniform Requirements/uniform assistance**

Schools across Endeavour Learning Trust will ensure that second-hand school uniforms are available for parents to acquire. This will form part of each school's uniform policy. Information for parents and carers on second-hand uniform provision (including where to purchase) is published on the school's website.

## **8. Contacting the school regarding uniform**

The school endeavors to resolve all uniform challenges locally and informally, in accordance with the Complaints Procedures Policy. To make a complaint, parents should refer to the Complaints Procedures Policy and follow the stipulations outlined. When a complaint is received, the school works with parents to arrive at a mutually acceptable outcome.

## 9. School Uniform – What are our children and young people expected to wear?

### All year round:

- NPA Purple sweatshirt/cardigan with embroidered school logo
- NPA embroidered school logo white polo-shirt or plain white polo-shirt
- Grey skirt/pinafore, grey trousers or grey tailored shorts
- White, grey or black socks, grey or black tights
- Plain sturdy black school shoes (trainers are only allowed on PE days)
- An appropriate outdoor coat (children will go out for fresh air and activity even if it's raining!)
- School bag
- Water bottle (containing water only)

### Summer:

- Grey tailored shorts
- Purple and white summer dress

### PE Kit:

We have found it beneficial for our children to attend school in their PE kit on the day they have PE. This avoids the need for them to change together in the classroom, decreases the risk of children losing clothing when they change and avoids a significant amount of time lost from PE lessons due to children changing into their kit and back into uniform. For this reason, PE kit which can be worn on PE days only. On other days children must wear their standard uniform.

- NPA embroidered school logo purple hoodie
- NPA embroidered school logo purple PE T-shirt (round neck)
- Plain black shorts
- Plain black jogging bottoms or leggings.
- Black plimsolls or trainers

Children in Year 5/6 who go swimming will need a swimming costume and a towel. It is the policy of Leyland Leisure Centre that all children wear a swimming cap.

## 10. Exceptions due to adverse weather

All pupils are required to wear weather-appropriate clothing that covers as much of their skin as possible during adverse weather.

For hot temperatures, this includes wearing:

- Loose-fitting and lightweight polo-shirts and dresses with sleeves and collars or

covered necklines.

- Sunglasses with UV protection when outside.

Pupils are advised not to wear any jumpers during heatwaves. If outside during break times, pupils not wearing sun-safe clothing are advised to stay in an area protected from the sun. The school does provide sun screen to the children.

For cold temperatures, this includes wearing:

- Scarfs, gloves, coats and hats when they are outside.
- Warm jumpers or a hoodie that conforms to the school's uniform policy.
- Trousers, or thick tights with skirts.

## **11. Pupils who do not wear their uniform in line with the expectations of the school.**

At Endeavour Learning Trust, we would always take a supportive approach in the first instance and engage young people and their families in discussions about the potential barriers that exist which prevent a young person from wearing the uniform expected by the school. The school and family will always work together to remove any barriers that exist. Once this has happened and there has been a clear attempt to remove any barriers and the young person remains non-compliant, the school will utilise the methodologies captured in the Behaviour Policy. The Behaviour Policy can be found on the school's website.

## **12. Monitoring and Review.**

These principles are reviewed annually by the Chief Executive of Endeavour Learning Trust. The scheduled review date for this policy is August 2025.
