

## **Viking Experience Day - Friday 17<sup>th</sup> October**

Dear Parents/Carers,

On Friday 17<sup>th</sup> October, we will be participating in a Viking Experience Day over at Woodlea, as part of our Wider Curriculum work.

We will be walking over to Woodlea once the register has been taken and will be back before the end of the day. If your child has a school dinner, packed lunches will be provided. For those that bring sandwiches, please do so as normal. We will be holding a Viking Experience Day, as part of our wider curriculum topic 'Raiders & Rulers: A Viking Adventure in '1066'.

During the day, the children will take part in a variety of exciting activities, including making and decorating Viking shields, learning runic writing, creating artwork inspired by the Bayeux Tapestry, and acting out some of the events of 1066. There will also be opportunities for games, music, and challenges to bring the Viking era to life.

In addition to the activities, we would like all children to come dressed as a Viking, Anglo-Saxon, or Norman. We have included some simple examples of what this might look like. Please don't feel the need to go to great expense - homemade costumes are always perfect. If you need any support with this, please contact school.

As some of the activities will take place outside, please ensure children have suitable footwear and a coat.

We are very much looking forward to what promises to be a fun and enriching day of learning!

Thank you for your continued support. We can't wait to see the children bring the Viking era to life!

Yours sincerely, Mrs Goldfarb
