Monday 6<sup>th</sup> March 2023

Dear Parent/Guardian,

Year 4 Design Technology – Practical Session in the Forest School Area on Tuesday 7<sup>th</sup> March

As part of our new DT unit based around mechanisms, Year 4 will be taking part in an outdoor lesson on **Tuesday 7<sup>th</sup> March**. We will be using the outdoor Forest School to learn about pivots and lever. Due to recent rainy weather, the area is still wet and muddy, so children need to attend school in their P.E kit on and bring a waterproof coat.

Additionally, we will be walking on the wet grass and mud so children need to bring a pair of sturdy outdoor shoes, or old trainers they do not mind getting muddy and as well as their footwear for the day.

Any questions or queries about the lesson, please do not hesitate to contact us at school.

Kindest regards,

*N Reeder*

*R Spence*

Miss Reeder
