

## Maths:

### Addition and Subtraction (within 20)

Add by counting on, adding ones using number bonds, find and make number bonds, add by making 10, subtraction crossing and not crossing 10.

### Place Value (within 50)

Counting to 50 by making 10s, numbers to 50, counting forwards and backwards within 50, tens and ones, represent numbers to 50, one more and one less, compare objects and numbers within 50, count in 2s, count in 5s.

### Length and Height

Compare lengths, compare heights, measuring lengths, introducing rulers, adding and subtracting, length problems.

## Computing:

In computing, we will be using Purple Mash to create pictograms and will become Maze Explorers.

## English:

This half term our English will focus on the Great Fire of London. We will be writing information texts about the Great Fire of London and writing poems about fireworks.

We will also be writing some instructions to instruct people on how to make our special cornflake cakes.

### Year 1 Spring 2: 'London's Burning'

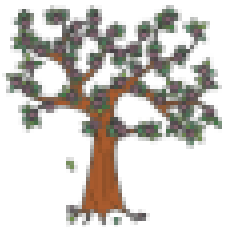

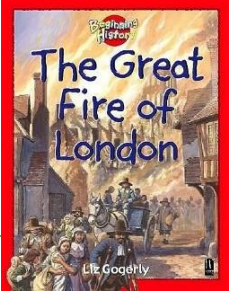

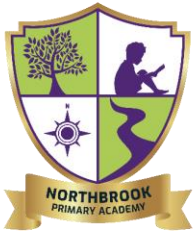

## Science:

In Science, we are continuing to look at the classification of animals. We are identifying and comparing the animal groups.

We will then go onto looking at our planet. Our enquiry question will be 'How can we care for our planet?'

We will then move on to identifying the changes that happen in Spring. We will discuss the changes in weather, the length of the days and how some animals adapt to the weather change.

To end our half term we will look back the beans we have planted and discuss the changes we observed happen throughout the plant growing.

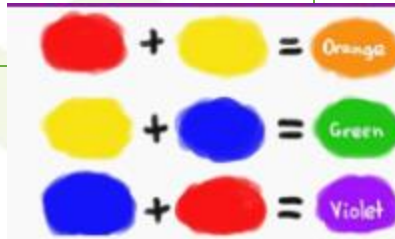

## History:

Throughout this term we will be looking at The Great Fire of London and recognise the distinction between past and present (within the context of the children's lives). We will also learn to order and sequence some familiar events and objects. We will identify some similarities and differences between ways of life at different times and use sources to answer and ask simple questions about the past. We will also learn to retell simple historical stories about events in the past

## Art & Design:

As artists, we will be inspired by painter Lieve Verschuier, famous for his paintings of the Great Fire of London. We will look carefully at the colour wheel and learn how to mix primary colours to create secondary colours.

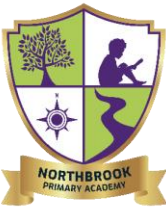

## RE:

In RE will be looking at Judaism and be answering the question, 'Why might some people put their trust in God?'

## Music:

In Music, we will be learning 'How Does Music help to understand our neighbours'

We will learn to combine pulse, rhythm and pitch.

## PSHE:

In PSHE we will be learning about fire safety, helping the children understand the importance of being responsible, how their actions can affect others, and how to stay safe in the home and community

## PE:

In PE this half term we have 1 session of PE on Monday with our external P.E teacher and then one on a Friday with Miss Gwynne.
