

Maths: In Maths, this half term we will be looking at addition and subtraction. We will be learning the column method and exchanging in the 10's and 100's. We will also add and subtract numbers up to three digit. Over the half term, we will also begin to learn our 3, 4 and 8 times tables.

Hundreds	Tens	Ones
2	4	6
1	7	7
2	1	4
6	3	7

Science: To kick start our half-term, the children will be learning all about the different food groups and the importance a balanced diet. We will the move on to studying rocks, soil and fossils. The children will be able to identify the different types of rocks. We will also investigate how fossils are formed.

English: This half term we will be reading The Hare and the Tortoise alongside other fables and writing our own fable to read to Year One. We will also be looking at poems with a structure and will be writing shape poems. Finally, we will be looking at the book "Dear Greenpeace" and writing our own persuasive letters about environmental change.

**Year 3 Half Term 2/Autumn 2:
Rock of Ages.**

RE: This half term we will be looking at why the prophet Mohammed is an example for Muslims. We will look at the practise of Zakat in the Islamic religion. Looking at how important being charitable is to Muslims.

Computing: This half term we will be looking at online safety and the importance of being responsible on the internet. We will look at blogging and how to do it safely.

PE: Physical Education will be led by our sport partners at West Lancashire Sports Partnership. P.E. will be on Wednesday and Friday. The children will continue to develop and embed their skills associated within invasion games!

Geography: In Geography we will be looking at settlements and where in the UK we live. We will explore what early settlements looked like and how they have changed. We will then look at what possible challenges settlements could face in the future.

Design and Technology: In DT we will be looking at a variety tall structures. We will then design our own disaster proof structure that could be built and then make prototypes to present to a potential investor! (Mr Cunniffe)

Spanish: In Spanish, the class will be learning classroom language and words relating to Christmas.

Music: During our Music lessons this half-term, we will be looking at what it means to be in a band. We will be listening to disco music and music from the American city of New Orleans!

PSHE: Our '1 Decision' topic this half-term, is all about 'Our World' and the role money plays. The children will understand the importance of money and explore the various career opportunities they wish to pursue in the future.
