

**Maths:** Our focus this half term in Maths will start with multiplication. We will be moving onto our 3, 4 and 8 times tables. Then, we will extend on what we know about multiplication and division to begin multiplying and dividing 2 digit numbers by 1 digit numbers.

Finally, we will use our four operation arithmetic skills to help us complete calculations involving length.

Hundreds	Tens	Ones
2	4	6
1	7	7
2	1	4
6	3	7

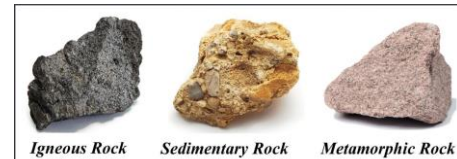

**English:** This half term we will be reading and analysing folk tales using a wonderful local folk tale, 'they Lancashire Giant'. Following this, we will be looking at poems based around the theme of weather and the environment linked to our Geography topic. To end this half term we will be looking at discussions and writing different points of view.

### Year 3 Half-Term 3/Spring 1: Extreme Earth

**Science:** In science, this half term we will be studying rocks, soil and fossils. The children will be able to identify the different types of rocks. We will also investigate how fossils are formed. We will then be moving onto magnets and forces!

**PE:** In P.E this half term we will be practicing our accuracy and teamwork as part of our target games unit.

**RE:** We are continuing to learn about Christianity and what Christians believed it meant to be a disciple of Jesus. We will look at the qualities of a strong leader and investigate the work of a Christian organisation that helps those in need.

**Computing:** In computing we will be looking at spreadsheets, how they are made, what information we can put into them. We will then begin to look at touch typing

**Geography:** This half term in Geography we will be looking at extreme weather events. We will be looking at where these events typically occur in the world and their human and physical effects on the local area. This will also aid with map reading skills locating areas of the world. We shall also be looking at the effects of global warming across the world.

**Music:** In music this half term we will be looking at 'Reggae' music. We will learn where this genre comes from and will be learning the song 'Three little birds'.

## Year 3 Half Term 3/Spring 1: Extreme Earth.

**PSHE:** This half term in PSHE we are looking at keeping safe online. We will also be looking at the feeling 'grief'. We will learn about what grief is and how and when we may feel it. We will also learn about how to support people who may be grieving.

## Design Technology:

This half term we will be looking at and making our own small bag. We will look at the purpose of our bag before designing and making them using various materials and stitches!

**Spanish:** In Spanish, the class will be learning how to name animals in Spanish.
