Dear Year 3 Parents,

Year 3 to Year 4 Staffing & Transition

As we stated in the staffing structure letter, we are pleased to announce that we will have two additional full-time members of staff joining us in September. This additional capacity from September will allow us to allocate three experienced teachers to Year 4 – Mrs Spence, Miss Sharrock and Mrs Morris.

During this week, we will be working on how the current Year 3 class will be being split into two smaller groups for some of their lessons next academic year. This process will involve us speaking to the children about who they are more comfortable with in class and working closely with Mr Iddon to ensure we consider academic progress and individual needs. Once the group split has been drawn up and agreed with the senior staff, we will then communicate this with children and yourselves as parents. We hope that the changes will allow our children to make accelerated progress due to the increased teacher input and individual support they will receive. Please be aware that the class will also be taught as a year group class, especially during creative subjects and practical subjects, so they will maintain a strong bond as Year 4.

We look forward to giving you further information about the group arrangements and our transition arrangements in the very near future. In the meantime, if you have any questions or queries please do not hesitate to contact me at school on enquiries@northbrookpa.org.

Kindest regards,

C Adams

Mrs Adams
