Dear Year 6 Parents,

Year 6 – Trip Proposal

Due to the cancellation of our previously published Robinwood trip, we have now finalised an alternative proposal for Year 6. After discussing options with the class and considering costs the trip proposal is as follows:

Monday 26th June – On site activity day. The children are to attend school in their PE kit

Tuesday 27th June – Off site activity day at Rock & River (www.rockandriver.co.uk) including coach transport. In the evening we will also host a sleep over in the school hall. The children will need to return to school at approximately 6:30pm for ‘pizza and a film’ and then we will set up camp in the hall!

Wednesday 28th June – ‘Bowling and a burger’. Children will travel by minibus to play ten-pin bowling and then enjoy a burger and fries. The children will also have access to the arcade games but would need to bring their own money to be able to play the games. We will return to school for the normal end of school.

The total cost of the events above will be £80.00. The following payment schedule will apply:

Friday 26th May - £30
Friday 9th June - £30
Friday 23 June - £20

Alternatively, the full cost can be paid in full by Friday 26th May. The payment options will be live on ParentPay on Monday 22nd May.

We really want all the children to attend and will run a number of fundraising events to help reduce the costs for all or add additional activities to the onsite activity day. Any families that have paid monies for Robinwood can have this balance transferred over to pay for the events above and have any additional money refunded to them. Please contact Mrs Borg for the necessary arrangements to be completed.

Please do not hesitate to contact us at school if you have any questions or concerns regarding the cost. As always, we will do our best to support our children and their families.

Kindest regards,

M Cunniffe
