

## NORTHWOOD BROOM ACADEMY SPORTS PREMIUM PLAN AND REVIEW 2022 – 2023

### CONTEXT

During 2018 – 2020 the school worked to create a PE team (PE leader, Curriculum leader, PE Governor and MAT support) to raise the profile and improve provision of PE. A new scheme of work (The Power of PE) was implemented whole school and staff were trained and coached to implement the scheme of work. This academic year, coaching continues to take place to improve PE teaching in school. Teachers make use of the school hall for PE sessions as well as the outdoor playground and staff have developed a Forest school area over the last three academic years, to support outdoor learning for all pupils, particularly early years.

We are fully committed to provide our children with high quality structured PE in order to improve pupil’s fitness levels and well-being. We want every child to believe they can become athletes, to challenge themselves and achieve their sporting potential. We aim to equip our children with the skills and knowledge to lead a healthy and physically active future.
