

Where do we live and how has it changed?

Key Vocabulary:	
urban	A busy locations which has lots of houses and usually shops and offices.
rural	It is a location in the country. It is not usually as busy as an urban place.
map symbols	A small picture on a map to tell you about something. There are symbols for schools, churches, post offices and pubs.
Landmarks	An object or feature of a landscape or town that is easily seen and recognized from a distance, especially one that enables someone to establish their location.
Address	Locates exactly where someone lives by having the house number, town or city name and postcode.

Sticky Knowledge facts:

- ♦ Bird's-eye-view maps are drawings that portray cities and towns as if viewed from above.
- ♦ Every street in our country has a name and a postcode. The name is usually on a wall or a sign at the beginning of the street.
- ♦ Maps present information about the world in a simple, visual way. They teach about the world by showing sizes and shapes of countries, locations of features, and distances between places.
- ♦ A key is a visual explanation of the symbols used on a map.
- ♦ Maps change overtime because landscapes are never constant. They change over time, seasonally as well as over longer periods.
