Worried about the cost of uniform? Join our savings club.

At National Schoolwear Centres we try to take the worry and stress out of purchasing school uniform. We offer a savings club which helps to do that. It can be used in one of two ways.

- Pay into the savings club whenever you want and whatever amount you want. When you need uniform you can redeem your balance against your purchases. You don't even need to visit the shop to do this we take payments over the telephone and keep records of all payments made. Even it is a few pounds here and there it all adds up.
- Visit the shop at the beginning of the August holidays (or sooner). Choose all your uniform (we help with growing room etc). Leave us a small deposit, normally around £25.00 for a full uniform, we will then hold your uniform for as long as you need. Call in, pay the balance when you are ready and take your uniform home. This means that you have a commitment from us that all your uniform is ready and waiting for you and we have a commitment that you will be back to collect. Better than leaving it until the end of August to suffer queues and stress, you can be sure that everything is taken care of.
