

February 2026

Dear Parent / Carer,

GCSE Options Information Evening
Tuesday 10th March 2026 - 5.30pm – 7.30pm

This week we formally launched the GCSE Options Process with Year 9. This is an important process, during which students make decisions about the subjects they would like to study at GCSE. You can find the Launch Assembly which was delivered to Year 9 on the [school website](#).

Over the coming weeks, Year 9 students will be exploring the options available to them for their GCSE subjects, which students start in Year 10. Over the next 4 weeks, students will have information sessions, taster lessons in different subjects, and discuss different options/pathways with their teachers and form tutors.

An important part of this process is the Options Information Evening, which will take place on the evening of **Tuesday 10th March 2026 - 5.30pm – 7.30pm**. Here you and your child will have the opportunity to meet with staff and students from a range of subjects to discuss the courses that are available. The event will include a short presentation in the hall to explain the process at 5.30pm. Please confirm your attendance using [this form](#).

Your influence and support is an important part of the decision making process and we look forward to welcoming you.

Yours faithfully,

Ms Singer
Assistant Headteacher
