Understanding the world

The children will be learning about:

Seasonal Changes/Light/Earth and Space

This term, our children are becoming little scientists as we explore Seasonal Changes, Light, and Space! We are tracking the daily weather, investigating shadows with torches, and learning how the Sun and Moon shape our day and night. You can help support this learning at home by spotting shadows on your walks, noticing how it gets dark earlier before bedtime, or looking out the window together to see the shape of the Moon!

The Great Fire of London

This term, our children are stepping back in time to learn about The Great Fire of London! Through storytelling and role-play, we will explore how the fire started in a bakery, how people escaped on boats, and how London was rebuilt with safer brick houses. You can support this learning at home by building cardboard box houses together, looking for older buildings on your walks, or talking about how modern firefighters keep us safe today!

Christianity:

This term, our children are learning about **Christianity**. We will be looking at the Bible, exploring stories like the Good Samaritan, and talking about Jesus's teachings on love and kindness.

Literacy

The children will be reading …The Three Little Pigs and The Gingerbread Man.

Skills: Holding a pencil correctly, working on our tripod grip and using sound mats to create identifiable letters.

Writing outcomes: Writing identifiable letters and captions

Read Write Inc: Continuing to look at and learn new sounds.
