

Science

The children will be learning about:

Animals, including Humans

Children will explore animals, including humans, and learn about the features and needs of different living things. They will investigate animal groups, basic body parts, senses, food and healthy lifestyles, developing an understanding of how animals and humans grow, survive and stay healthy

Emotional Quotient

The children will be learning about:

- **Building Trusting Relationships**

PSHE

The children will be learning about:

- **Being Me in My World**

Geography

The children will be learning about:

Water

Children will explore water and its importance in our everyday lives. They will investigate the different ways we use water, explore its properties through practical activities, consider where water comes from, and develop an understanding of why it is important to use water responsibly and protect

English

The children will be reading *Sharing a Shell* and *The Snail and the Whale*, by Julia Donaldson

- Skills: Full stops, capital letters, co-ordinating conjunctions, subordinating conjunctions, adjectives, nouns, noun phrases, past and present tense, prepositions, adverbials for time and exclamation marks.
