

Science

The children will be learning about: **Light**

- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- explain that objects are seen because they give out or reflect light into the eye.
- explain why shadows have the same shape as the objects that cast them.
- Recognise that light appears to travel in straight lines.

Literacy

The children will be reading '**Inside the villains**' by **Clothilde Perrin**

- Skills: Coordinating and subordinating conjunctions, expanded noun phrases, revising and editing
- Writing outcomes: Character descriptions
- Read Write Inc, spelling and grammar
