

Science

The children will be learning about:

Humans including animals

Children learn about humans and animals by identifying body parts, senses, and basic needs for survival such as food, water, and air. They explore similarities and differences, classify animals into groups, and understand growth and change. Pupils discuss caring for animals and keeping healthy.

Emotional Quotient

The children will be learning about:

Building trusting relationships

PSHE

The children will be learning about:

Relationships:

- Families and friendships
- Safe relationships
- Respecting ourselves and others

Geography

The children will be learning about:

Where in the world am I?

Children will be learning about their local area, school, and home. They study maps, simple symbols, and directions, and begin to understand the United Kingdom and its countries. Pupils compare places, recognise landmarks, and develop geographical awareness of the world.

Literacy

The children will be reading Goldilocks and the Three Bears & Pumpkin Soup.

- Skills: Orally rehearse sentences, capital letters, full stops, finger spaces, using adjectives to describe.
- Writing outcomes: Planning and writing a setting description, planning and writing a recount.
- Read Write Inc, spelling and grammar
