

Science

The children will be learning about:

Movement, forces and magnets

Pupils explore how pushes and pulls affect movement, learning how forces can start, stop, or change direction. They investigate how objects move on different surfaces and discover which materials are magnetic. Through simple experiments, pupils develop curiosity, observation, and enquiry skills while exploring the effects of movement, forces, and magnets.

Emotional Quotient

The children will be learning about:

Learning to Play

PSHE

The children will be learning about:

Relationships

- Families and friendships
- Safe relationships
- Respecting ourselves and others

History

The children will be learning about:

World War 2

Pupils learn about life during World War II through stories, artefacts, and simple timelines. They explore the lives of children in the past, including evacuation, rationing, and life on the home front. Pupils compare past and present, developing an understanding of remembrance, courage, and how communities worked together during difficult times.

Literacy

The children will be reading: Sharing a Shell, We are going on a bear hunt.

- Skills: Capital letters, full stops, noun phrases, expanded noun phrases, sequencing stories, forming lower case and upper-case letters correctly.
- Writing outcomes: Character description, innovating a story and recounting a story.
- Read Write Inc, spelling and grammar
