

Create abstract compositions using knowledge of other artists work.

Apply techniques of great artists, designers and craft makers.

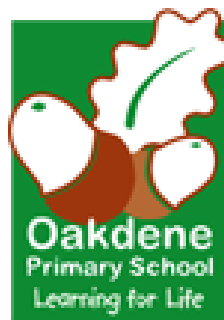

Paint with skill and control, applying tonal techniques and more complex colour theory.

Create a range of original pieces that showcase my personal style and show a range of influences.

I am an artist

Confidently use printing techniques, create digital art and 3D sculptural forms.

Develop my creative ideas through the use of a sketchbook

Express and articulate a personal emotion through sculpture.

When I leave Oakdene I will...

Work both independently and collaboratively on projects.

Understand how artists manipulate materials to create texture.

Express feelings and emotions through colour

Use the language of art with sophistication when discussing my own and others art

Choose appropriate techniques and styles to communicate my ideas.

Give reasoned evaluations of my own and others work which takes account of context and intention.
