BELIEVE AND ACHIEVE

May 2020

Dear Parents,

We hope you would agree that in the multi-cultural society we are living and working in, the reasons for learning languages are varied, but the importance of learning foreign languages is universal: it will always benefit you in one way or another.

For a few years now, we have been able to offer our students the opportunity of studying French **or** Spanish in Year 7 for 2 hours a week. We have made this decision in order to build on what has already been learnt at KS2 and to provide your child with a wider exposure to languages, hopefully, helping them choose one of these two languages for their GCSE studies.

Should you have a strong preference as to which language your child should study for the next couple of years, please let us know no later than Monday, 7th June 2020. We will assume you have no preference if not received by this date.

To register your preferred language for your child to study, kindly reply via Parentpay, please select 'Pay for other items' and **LANGUAGE** will take you to the appropriate section.

Regards,

Mrs Hall
Head of Modern Foreign Languages
