BELIEVE AND ACHIEVE

June 2022

Dear Parents,

We hope you would agree that in our multi-cultural society the reasons for learning languages are many and varied, but the importance of learning languages is universal: it will always benefit you in one way or another.

For a few years now, we have been able to offer our pupils the opportunity of studying either French or Spanish in Year 7 for 2 hours a week. We have made this decision in order to build on what has already been learnt at KS2 and to provide your child with a wider exposure to languages, hopefully, helping them choose one of these two languages for their GCSE studies.

Should you have a strong preference as to which language your child should study for the next couple of years, please let us know no later than **Wednesday 22nd June 2022**. We will assume you have no preference if not received by this date.

To register your preferred language for your child to study, kindly reply via the following google form <https://forms.gle/RoFtqExzCDiT8cYQA>

Kind Regards,

Mrs Hall
