

# CLEVERCHEFS BY NATURE

## WELCOME

We wanted to say **hello** and introduce ourselves. We are super excited to be your newly appointed catering partner at Oakfield Academy.

Providing **amazing** food is the main focus of our business. We go that extra mile to give our pupils that real "**wow**" factor in presentation and taste, whilst keeping that recognisable food that can be of comfort.

Cleverchefs was founded in 2015 by Nick Collins, who you may have seen on **Masterchef the professionals** a few years ago. Brought to life with a dream to produce fun and **vibrant** food worth talking about to the hospitality sector.

Our **ethos** is about providing **perfection** as standard. This means that we promise to use the  **freshest** local food, cooked and served by dedicated **professionals**, whilst doing our very best to be **sustainable** in every area of our business.

We hope that we can bring a new lease of life to Oakfield Academy's school food and that your child will **love** what we have to offer.

Please feel free to get in touch with us at [feedme@cleverchefs.co.uk](mailto:feedme@cleverchefs.co.uk) if we can be of any assistance.

## A MESSAGE FROM OUR FOUNDER

Our approach to food in our education business is simple, we make sure we source the very best British ingredients. nothing processed and nothing added.

We make sure our kitchens are led by real chefs, they will have a background in fresh food, our training is second to none our team members all get put through our hospitality school and are fully briefed on our mission to provide first class food & service.

We will never settle for anything less than perfect. Cleverchefs is chef led by me and I understand what real food should look like and that message filters through to the whole team. When you step onto a Cleverchefs site you can feel the passion for incredible food.

Our menus have been carefully crafted to take into account the seasons, our pupils tastes and preferences. We are on a mission to make school dinners fun and healthy.

You are in safe hands with us in your kitchens.

*Nick Collins*
