

Friday 8th April 2022

Dear Parents,

I hope you are all well and looking forward to your Easter holidays.

I am writing to update you regarding Miss Pullen's absence. Some of you may already know Miss Pullen suffered with back pain during the summer term last year which deteriorated over the summer holidays. Your child will have been given this information today by Miss Nightingale.

- Miss Pullen has been in hospital to find out the cause of her bad back which deteriorated over the Summer Holiday
- Unfortunately, they found her bad back was being caused by cancer
- After wearing a back brace for 5 months (which 8C saw when Miss Pullen visited), she is now walking without it again and working on her mobility and fitness
- Miss Pullen is undergoing treatment which is going well and will continue
- At some point after Easter Miss Pullen is hoping to start a gradual return to Oakfield

Miss Pullen misses everyone very much and is looking forward to coming back. If pupils require any support following hearing this news, please contact us at the academy.

Yours sincerely

Miss Emma Wilkes
Head teacher
