Christmas Sing-a-long !

17th November 2023

Dear Parents,

For our 2023 festive music event for pupils in Key Stage 2, we would like to welcome you into the Academy, not just to be an audience, but to take a full and active part in the afternoon's performance. This will be our 'Festive Family Sing-A-Long'. We are planning a feel-good and fun afternoon, jam-packed with Christmas favourites (or perhaps some that will become favourites), some heart-warming poetry as well as a few other little treats along the way! We encourage you to come in your festive finery with your best Christmas jumper or other outfit! The only other things needed are a good sense of humour and your best singing voice.

It is a normal school uniform day. However, pupils will be able to change into a Christmas jumper or add an accessory to their normal school uniform for lesson 5 that day. There is no requirement to provide any costumes or outfits.

We have limited space in the hall; so to give every family the opportunity to get a free ticket, we will offer one per family for the pre-release (20-27th November). Then open sale from Monday 27th November. Please contact reception to book your ticket.

We look forward to welcoming you for an afternoon of fun and song next week!

Festive wishes,

Ms C L Parsons
Head of Performing Arts

Mr L Oates
Performing Arts Department
