

SCHOOL COUNCIL SUB-COMMITTEE

DIVERSITY

Wednesday 14th December 2022

Present:- Sub-Committee Members, Mrs Ingram, Mrs Warren

Mrs Ingram introduced herself to the committee members. She asked the committee what they knew about diversity?

The committee understood the definition;

- differences, everyone included
- LGBTQ Community
- Race
- Religion
- Culture
- Neurodivergent

Is it well represented at Oakfield?

The committee were unsure of the answer to this. It was felt that perhaps we need to re-wind and explain to the Oakfield community what diversity actually is.

Questions to consider for the next meeting:-

How can we ensure others are well informed and knowledgeable ?

What are our Diversity STRENGTHS at Oakfield ?

What are we already doing that is good ?

Could we cover Diversity in our lessons ?

Diversity Assemblies ? - Positive message.

Could Diversity link in with the other sub-committees ? Behaviour/Curriculum/Premises ?

Council members also felt that some staff would benefit from Diversity training – TBA.

Generally felt more racial tolerance/acceptance training would be appreciated.

Pupils to go back to their Year Groups to discuss.

Date of next meeting TBA.
