i honestly cant even explain how much i love the eric app, given me so many useful tips and things whilst exploring how to get into my dream career! youve done such an amazing job with it! wanted to say well done 🌟

great. I greatly admire you a d the amazing work you and your team are doing building a useful product like ERIC - it's a cultural product that would solve an important problem for Gen-Z's like myself. I look forward to seeing the product grow and evolve over time.

Just wanted to send a message saying, I'm loving the ERIC app right now, such cool content & opportunities. The Nickelodeon pitch opportunity, sounds awesome! 🤘🤘🤘

Hey ERIC🥰 Thank you for creating this app, it's literally saved my life!! I've found so many cool events, internships & opportunities. I've told all my uni friends about the app too aha✨

Hello - nice to meet you! I wanted to say thank you for founding the Eric App - I use it daily and it has let me know of so many upcoming competitions, jobs and courses and really encourages and empowers me to search for more opportunities in the creative fields.
Thank you very much!!

Best,
Joanna

More and more people I speak to have agreed how old fashioned the education system and career advice is and how much it needs to change. So I couldn't agree with this more 💪
