Text Messages regarding After School Clubs

If you receive a text message informing you that your child has not arrived at an After School Club that they were booked into attend, kindly do not reply via text, instead telephone the academy office if you wish to comment or ask a question.

Thank you.

Congratulations to everybody for a super efficient building evacuation during our fire drill on Monday 18th October.

Sorry about the weather !

Street School Surveys

Sustrans have a couple of School Street surveys that are live on their website and wondered if you Frome parents could take time to complete one.

Sustrans and Frome Town Council would like to hear from you to help to shape the School Streets design. The survey below will help us to establish how you perceive the streets near the school in the School Streets area. Your answers will help us to build a better picture of how people travel in the area, how you feel about the streets and the space around them. Ultimately, your answers will help us to make the streets around your local schools safer and a more enjoyable space to be in, for everyone.

Did you attend this event ? We are delighted to confirm that the voices being used in the 'largest drone show in the Southwest' were those of Errol Graham (5R), Florencio Globio (7R) and Esmee Lloyd (7C). They had great fun recording their parts with Celestial—a Frome based drone arts company who are working with Frome Town Council on this event.

Thank you to Winstone's Hunting Raven Books who raised money through a JustGiving campaign to purchase copies of Marcus Rashford's inspiring and motivational book—**YOU ARE A CHAMPION.**

Thirty copies were donated to Oakfield Academy and will be distributed to chosen pupils and our Library.

PUPIL FLU & COVID VACCINATIONS

Messages have gone home to all parents on Parentpay regarding flu vaccinations and qualifying parents regarding the covid vaccinations.

Kindly give consent as soon as possible.
Thank you.

A Tiny Forest is a dense, fast-growing, native woodland about the size of a tennis court. These are not only an attractive location for wildlife, but for people as well, and can provide a range of benefits in the fight against climate change.

The planting days are free to attend and open to all ages, and will be in line with local Covid-19 considerations. **Please note there will be large machinery on site prior to planting and any damaged grass will be reseeded.**
