

Year 6 Enterprise Week

6th – 10th June 2022

May 2022

Dear Year 6 Parents,

We are excited to let you know about Y6 Enterprise week, which is happening during the first week back at school after half term (in addition to the Braeside trips).

Pupils will be working in teams in their tutor groups to make and market their own choice of products or services. These will be sold during the day at school on Friday 10th June. Parents will also have the opportunity to come and buy after school on that Friday – until 3:45pm, when trading stops and profits are calculated. Pupils will also have a say as to how profits are used (either in school or donated to nominated charities).

During the week, pupils will be learning a variety of business skills, including budgeting, pitching ideas, marketing, advertising, production, health and safety, finance, problem solving and teamwork. Some funds will be available from Oakfield to get the enterprises up and running and we do not expect pupils to have to buy anything in addition to this. If they wish to bring things in from home, that is fine – we will reiterate that they need to ask first!

If you have any questions about the week, please contact your child's tutor, who will be able to help.

We are looking forward to seeing lots of creative ideas being turned into profitable reality, with some valuable skills being learned as we go.

Regards,

The Year Six Team
