

KS2

Singing

Remember to keep singing! You will find songs that have been put on the website for you as well as downloading your own karaoke apps such as Smule. Don't forget to always warm up your voice with deep breathing, vowel sounds and also by having fun with 'Tatika' or the 'Crazy 8s' (see video challenges).

Try the following website to find some of your favourite songs

<https://www.singup.org/>

Listening

Choose a favourite song and write a song review. Say why you like the song and what it makes you think of as well as what mood it puts you in. Try to include the following key words in your description of the song:-

Tempo

Texture

Dynamics

Timbre

Silence

Pitch

Duration
