Year 7: Monday 29th January 2024
(3.30-7.30pm)

December 2023

Dear Parents,

Your child's autumn report has been published on Edulink for you to view now and we would like to invite you to our virtual Parents' Evenings in January. This will give you the opportunity to discuss your child's autumn report and their progress with their subject teachers.

All appointments are made online using Edulink. Once you've booked your time slot, go back to Edulink ready for your appointment on the day and click 'start appointments'. You can log into Edulink on a phone, tablet or computer and you can keep your camera switched off if you prefer.

Bookings will open on Wednesday 13th December at 6pm. Initially, you will only be able to make a maximum of 4 appointments to allow access to all. On Friday at 12pm, this will be increased to 11 appointments per family so please check back if you would like to book more. Bookings can be made up until midday on the day of the appointments.

Yours sincerely,

Ms K Bryan
Assistant Headteacher
