

Year 6 – June 2020

The Rainforest (2 weeks)

These little lessons link to the work you would be doing in the summer term in year 6 on 'The Rainforest'.

Lesson 1:-

List as many sounds as you can think of which may be heard in a rainforest. They could be sounds made by insects, birds, animals, nature etc

Listen to the following 4 rainforest audio clips:-

<http://soundbible.com/tags-rainforest.html?scrlybrkr>

Choose your favourite and draw a picture using different symbols to represent all the individual sounds you hear. Try and show if the sound is high or low (PITCH), loud or soft (DYNAMICS), long or short (DURATION) by considering the shape, size and position of your symbol in the picture eg the higher up the page means the higher the pitch etc

Lesson 2:-

Watch the following clip:-

<https://youtu.be/9ogQ0uge06o>

Have a go at learning this song and try singing along to the karaoke version:-
