

Moving on up! Yrs 5, 6 & 7

25th March 2024

Dear Parents,

It's that time of year when we look ahead to your child's class for 2024-2025. Here's a brief outline of how that looks for Years 5, 6 and 7.

YEAR 7: As Year 7 move into Year 8, the plan is to stay with their tutors, based in their tutor bases along the Ash corridor. We will of course keep you updated if any changes become necessary.

YEAR 6: As Year 6 move into Year 7, the plan is to stay based in their current tutor bases within the Taylor Centre and Science block. A huge thank you to Miss Crowther for looking after 6C so well since she returned to us. She will return to work with the new Year 6 team next year and Mr Oates will move across to tutor them in Years 7 and 8.

YEAR 5: In order to better balance the classes as they move into Year 6, there will be a new plan for pupil groupings. In the next few days Mrs Green will be asking every pupil in Year 5 to write a list of three friends that they would like to stay with in the next academic year. We cannot guarantee that they will be with all three, but they will certainly be with at least one of their choices. English and Maths groups will stay the same, unless individual pupils are being moved. This will be an exciting opportunity for your child – they will find out who their new tutor will be just before transfer day. On Transfer day all pupils will be with their class and tutor in preparation for September.

Yours sincerely,

Mrs E Green
